

## Indoor Track & Field Vienna Meeting

**Saturday, 30. January 2021**

Dear friends!

We are working hard to provide a safe and reliable opportunity to prepare/qualify for the European Indoor Championships or the Olympics for Austrian and international “top level” athletes. As you can imagine, we have to implement many additional measures to make this meeting possible.

The “Indoor Track & Field Vienna Meeting 2021” can only take place under restrictive controls from the Austrian Government:

- Maximum of 100 athletes per Meeting
- Entries for international athletes can only be submitted via each country’s national federation as a collective “national team entry”
- This entry application has to provide name, email and phone number for each athlete and coach
- Each federation has to confirm, that each athlete on its list is aiming for the qualification for the European Indoor Championships or the Olympics or is already qualified for those events – no “lower level” athletes are allowed
- Each athlete & coach has to complete a negative Covid-19 Antigen Quick-Test when she/he is entering the venue of the competition (Testing will be arranged by the organisers)
- Wearing masks all the time in the Indoor-Stadium is mandatory for everybody. Only exception is the for athletes during warm-up and competition
- No changing rooms or showers are allowed, toilets of course are available
