2. INFORMATION CENTRES

2.1. Technical Information Centre (TIC)

The TIC is located at the Thomas A. Robinson National Stadium, easily accessible from the Team Seats.

The main task of the TIC is to ensure a smooth liaison between each Member Federation and the LOC, the World Athletics Technical Delegates, and the Competition Management of the Championships regarding technical matters.

From 1 May, the Virtual TIC will be operating too and will cover all the main tasks of the TIC. Team Leaders will receive a link and credentials to access the service.

Final confirmations must be done by Member Federations using the Online Confirmation tool on the Virtual TIC platform before 12:00 on Friday, 03 May 2024.

The virtual TIC will also provide all information normally shared by the TIC in a dedicated section for downloads. It will also be possible to send general inquiries, withdrawal forms, doping control requests and written appeals.

World Athletics Relays Bahamas 2024

- Receipt of written questions for the Technical Briefing (deadline: 18:00 2 May Thursday)
- Assistance on Final Confirmation
- Receipt of Withdrawal Forms
- Managing National Record Doping Control requests
- Written Appeals
- TIC General Enquiries

The TIC will be the main centre for technical information, although certain documents produced in the TIC will also be distributed to the Championships Information Desks (CID) for circulation. All the above communications and information will be available on the Virtual TIC platform as well.

The TIC will open from Wednesday 01 May. The TIC's opening hours are:

Wednesday, 01 May	15:00-18:00
Thursday, 02 May	9:00-19:00
Friday, 03 May	8:30-21:30

2.4 Document Distribution and Support Desks

Document Distribution

Sustainability is a key commitment for WRE Bahamas 24 and together we are trying to do our part providing information as paperless as possible.

World Athletics has established a Virtual TIC to reduce the amount of printed material distributed to the Teams at the TIC at the Stadium or at the CID at the Team Hotels

Team Leaders are also strongly encouraged to download the WhatsApp application. In practice, this means that the distribution of competition related information at the TIC and CID will not be made through printouts but will be distributed via the Virtual TIC, displayed on the notice boards (also available at the Warm-up Area) and (for the more urgent matters) sent by WhatsApp group to the Team Leaders (their mobile number must be entered in Event Entry System).

Important notices (e.g., changes to the timetable) will also be distributed via the Virtual TIC and displayed on the Posting Board while individual communications to specific teams will be posted at the TIC and sent by e-mails.
